All of us at Innovative Community Support Services are very excited to announce our plans for the 7th Annual Resident Memorial Golf Tournament on Monday, June 22, 2015. Once again this year, we are honoured to be playing at the private GreyHawk Golf Club.

ICSS is a registered charity and must rely on fundraising initiatives in order to improve our programs and services. Last year, the tournament was a huge success and we hope that you will join the fun this year.

ICSS has been providing support to individuals in our area, whose lives are impacted by developmental delays, physical disabilities and mental health issues. It would mean a great deal to us if you would join us. Your support would be a gesture that goes far beyond a mere contribution. For you it would mean visibility in the community.; for us it would be far-reaching and greatly appreciated.

Corporate sponsorship goes a long way towards helping achieve our goal. Please contact any organizations who might be in a position to assist us. We are also looking for auction items and, of course, golfers!

Thank you in advance for supporting us. Tax receipts will be supplied upon request. We look forward to seeing you on the course!

Kind regards,

Jaynee Champagne, Executive Director
